EXERCISES OF THE WOODMEN.

Some Thousands of Members of the Order Take Part in the Affair. Notwithstanding the rain, the Woodmen of the World turned out in large numbers and made their presence felt at the exposition yesterday. Owing to the sloppy condition of the grounds there was no parade around the Grand Court, nor was there a band contest. The exercises in the Auditorium were held and were attended by fully 2,000 people, who listened to the speeches and the music.

Promptly at 2 o'clock R. E. McKelvey, presiding officer, called the meeting to order and introduced Mayor Moores, who extended a welcome to the city, during the course of which he said:

Been There Yet?

At our special piano sale there were thirty-two pianos that we had cut the price on so as to move them quicklynot so many now-yet enough to make piano choosing good for all day Saturday-many of these NEW plano prices have been cut right in two-and that's not all-the terms have been made easier -why \$25 cash and \$10 a month comes very near taking any of these special pianos-a few second-hand-only used a short time-at decidedly the lowest prices ever made on planes in Omaha-Saturday may see the last of them.
